good while doing it. All of the mounting hardware is black zinc coated for an OE appearance while the CB mounting bracket has a universal mounting pattern allowing it to work with most manufacturers mounting kits for ease of installation.

Following the design concept of the Rugged Ridge CB radio mounts for 2007-2016 JK models, Rugged Ridge engineers used similar ergonomic placement for the TJ / LJ mount, attaching to the upper windshield frame above the rearview mirror. This location puts the radio controls and microphone in easy reach of the driver, eliminating the need to stretch across the cab to change channels or locate a stray microphone, helping provide an increased overall level of safety.

The Rugged Ridge CB Mount is constructed of sturdy Q235 steel and finished in a gloss black powder coat for years of durable service's The mount is designed to support the weight of the CB unit, store away the microphone and look

“The easiest place to mount a CB in a Jeep has always been at the base of the dash,” said Alain Eboli, Engineering Manager at Omix-ADA / Rugged Ridge. “Unfortunately, doing so can cause safety concerns for the driver, which is why we engineered the CB Mount to fit the windshield and avoid distracted driving.”

The new CB Radio Mount for 2003-2006 Jeep Wrangler TJ/LJ models backed by Rugged Ridge's industry-leading five-year limited warranty and will be available online and through select Jeep and off-road parts and accessories retailers with a suggested MSRP of \$26.99.
