RUGGED RIDGE RELEASES NEW WALL MOUNT DOOR HOLDER FOR 1976-2018 JEEP MODELS

Low-Profile Design Stores Jeep Doors Conveniently and Securely

Suwanee, Ga. (May 29, 2018) – [Rugged Ridge](#)®, a leading manufacturer of high-quality Jeep®, truck and off-road parts and accessories, today announced the release of its new Wall Mount Door Holder for 1976-1986 Jeep CJ, 1987-1995 Jeep Wrangler YJ, 1997-2006 Jeep Wrangler TJ and 2007-2018 Jeep Wrangler JK models.

The Rugged Ridge Wall Mount Door Holder is designed to answer the question of where to safely store Jeep doors when they are not in use on the vehicle. With sturdy all-steel construction, Jeep owners can mount a pair of doors securely to any wall, keeping them out of harm's way while remaining easy to access when it's time to put them back on. The holder will work with any style door- half doors, tube doors or full steel doors.

The new Wall Mount Door Holder is engineered to support the door by the hinges, the same way it is mounted to the vehicle. This gives the door plenty of support and eliminates damage to the weather seals that is common with many other storage methods, including racks. Best of all, it doesn't take up valuable floor space in the garage or shop. The doors are mounted tightly to the wall, fastened in place with the included latches.

Each Rugged Ridge Wall Mount Holder includes the brackets and hardware to mount one pair of doors along with detailed mounting instructions. Wall-mounting hardware is not included as it will vary based on the mounting location.

The Rugged Ridge Wall Mount Door Holder is backed by an industry-leading five-year limited warranty and is available online and through select Jeep and off-road parts and accessories retailers nationwide with an MSRP of \$133.99.

For more information about the new Wall Mount Door Holder, or any of Rugged Ridge's complete line of high-quality Jeep and off-road products, or to find an authorized retailer, please contact Rugged Ridge at 770-614-6101 or visit www.RuggedRidge.com
