RUGGED RIDGE ADDS NEW SIZES TO X-CLAMP MOUNTING SYSTEM

Accessory Clamps Even More Versatile With The Addition of Smaller Fitments For Tubing 1.25-2.00-Inches

Suwanee, Ga. (August 2014) – [Rugged Ridge](#)® today announced the availability of a smaller version of the company’s popular [X-Clamp Mounting System](#). Adding to the previous clamps that fit 2.25-3.00-inch diameter tubing, the new clamps fit smaller tubes such as those found on roof racks and pre-runner push bars measuring 1.25-2.00-inches.

Designed with the same great versatility as the larger clamps, the new fitment is a perfect way to mount hi-lift jacks, cameras, off-road recovery gear, lights and more to a Jeep®, truck, SUV or UTV.

The Rugged Ridge X-Clamp System offers unparalleled mounting versatility for vehicle owners with a variety of accessories such as cameras, antennas, lights and more.

As with the larger clamps, the new sizing is available paired with or without Rugged Ridge’s three-inch [LED driving lights](#). Each Rugged Ridge X-Clamp is constructed from high-quality die-cast aluminum and is available in either black or silver powder coat finishes.

Simple to install regardless of the application, each clamp can be attached by rotating it to fit the tube diameter, pivoting the mounting bracket to the desired position, and adding the preferred accessory.

“This new size really expands the number of vehicles that the clamps can be used on,” said Alain Eboli, Engineering Manager at Omix-ADA. “Not every Jeep, truck and SUV has big tubing; these smaller sizes really make it convenient to attach any number of different accessories securely in a variety of locations.”

The Rugged Ridge X-Clamp Mounting System is available online and through select Jeep® and off-road parts/accessories retailers nationwide starting at **\$36.99**.

For more information about Rugged Ridge’s complete line of high-quality Jeep and off-road products, or to find an authorized retailer, contact Rugged Ridge at (770) 614-6101 or visit its website at www.RuggedRidge.com.
